

RONISHA

CURIOUS
mind.
FUN
designs.

I design the way I communicate
Make it clear, make it engaging, and
Don't make people work too hard to understand it.

About me

Resume

Work

Get in touch!

Hello,
I'm Ronisha !

I'm a Computer Engineering graduate with an interest
in UI/UX design and visual communication. I enjoy turning
complex ideas into clear, user-friendly experiences and
I'm currently working toward building digital products that
combine thoughtful design with real-world impact.
